

ACCELERATING GROWTH THROUGH U.S. - ISRAEL STRATEGIC PARTNERSHIPS

BIRD Foundation Call for Proposals

To be considered, a project proposal should include:

- R&D cooperation between two, unrelated companies, one registered in the U.S. and the other in Israel. The companies should jointly apply for BIRD support
- Research and development topics that include but are not limited to: Advanced Manufacturing, Agrotechnology, Cleantech and Environment, Communications, Construction Tech, Electronics, FinTech, Gas, Homeland Security and Cyber Security, Life Sciences, Software, etc.
- A jointly developed technology or product(s) that shows considerable innovation
- A proposed project that demonstrates significant commercial potential

BIRD funds up to 50% of the R&D costs associated with the joint project.

The maximum conditional grant per project is up to \$1 million.

Timetable and Deadlines:

Executive Summaries (using BIRD's template) | September 5, 2019
Full Proposals (following BIRD's detailed instructions) | October 10, 2019
Decisions | December 2019
