To the best of each Participant's knowledge, no Intellectual Property owned by such Participant with respect to the Proposal infringes upon any Intellectual Property rights of others and each Participant knows of no infringement upon any intellectual rights of others as to the Intellectual Property owned by the other Participant.

**F. PROJECT FINANCING**

F.1. The Foundation hereby agrees to fund, by Conditional Grant, the implementation of the Proposal in the maximum sum of \$ \_\_\_\_\_ or 50% of the actual expenditures on the Project, as contemplated in the Approved Project Budget, whichever is less, and at the times and as may otherwise be set forth in Annex B hereto.

F.2. The Proposer undertakes to pay with its own money all the items in the Approved Project Budget.

The Foundation will make a first payment upon the signing of this Agreement and then reimburse the Proposer according to the Required Expenditure achieved as set forth in Annex B hereto.

F.3 Ways of Making Repayments

F.3.1. The Participants shall make Repayments to the Foundation based on the provisions set forth in Section F.3.2. below, and in connection with a Repayment Event as set forth in Section G.

F.3.2. The Repayments based shall be made by both Participants on the following basis:

- a) The Repayments on the Conditional Grant shall be based on the annual growth of gross revenue of each Participant compared to each Participant's gross revenue recorded in the first full fiscal year after the Effective Date ("Baseline"). The annual Repayment amount shall be calculated as 7% of the difference between the recorded amount of each Participant for that year and the gross revenue recorded in the Baseline, as recorded in its annual audited financial statements. Repayments will be made in US Dollars or the NIS equivalent at the date of each Repayment. *By way of illustration only, if the gross revenue of a Participant in the Baseline shall be \$100,000 and the gross revenue shall increase to \$110,000 in the second year, the 7% royalty will be payable on \$10,000 for such Participant, and if the gross revenue shall increase to \$120,000 in the third year, the 7% royalty will be payable on \$20,000 and so forth.*

If there shall be no increase in the gross revenue in any one or more fiscal year(s), or there shall be a reduction in the gross revenue of a Participant, but the gross revenue of such Participant is still above the Baseline, the 7% royalty shall be payable on the increase over the revenue recorded in the Baseline for such year(s). *Continuing the above illustration, if, in the third year, the gross revenue decreases to \$115,000 in the third year, the 7% royalty will be payable on \$15,000.*

- b) Subject to subsection c) below, the first payment will be due on the First Payment Due Date. Said first payment and subsequent payments (except for the last Repayment) will be based on each Participant's written declaration to the Foundation of its internal calculation of the annual revenue for the relevant fiscal year or, alternatively, based on each Participant's unaudited financials. To the extent, there will be a difference in the figure for the gross revenue in the audited financials of each Participant, this will be reflected in an adjustment in the following year's Repayment by said Participant(s).

The last Repayment will be made within 6 months of the end of the relevant fiscal year and shall be based solely on the audited financials of each Participant.

- c) Each Participant shall have the option to postpone the commencement of its obligation for Repayments by up to 2 years following the First Payment Due Date.

**Aside from the Full Repayment pursuant to Section G.3., Full Repayment of the Conditional Grant may be made by any one of three alternative ways, as set forth immediately below:**

- d) The following will be considered Full Repayment:
- i. Repayment by the Participants of 90% of the Conditional Grant (as linked to the Grant Base Index) if repayment will be completed by the Participants within 3 consecutive reporting years after the First Payment Due Date, and
  - ii. Thereafter, Repayment of 120% of the Conditional Grant (as linked to the Grant Base Index).
- e) Repayments by the Participants will be made until the earlier of (i) Full Repayment as per Sections F.3.4 (d) and (f) or, if there has not been a Full Repayment as per Sections F.3.4 (d) and (f), then for each Participant individually (ii) upon the expiry of the first 5 years after the first actual payment by each Participant of the Repayments to the Foundation (*i.e. the 5-year expiry period for each Participant will depend upon the date each commences the first Repayment and this will not be the same date unless each makes the first Repayment on the same date*). For each Participant, Repayment under (ii) will be deemed to be Full Payment for that Participant (but not the other Participant) upon the expiry of its aforesaid 5-year period.
- f) At any time in the first 5 years after the First Payment Due Date, and so long as less than 50% of the Conditional Grant (as linked to the Grant Base Index) has been repaid, either or both Participants may, at its/their discretion, opt to make a one-time payment to repay the grant. In such a case, 80% of the Conditional Grant (as linked to the Grant Base Index) will be considered as Full Repayment.

F.4. The monies given as a Conditional Grant shall be linked in value to the Index, until Full Repayment. Each increment of the grant is fixed, and for the repayment obligation, it shall be linked to the Grant Base Index. Upon Repayment of any portion of the Participants' obligations under Section F.3, or Section G, such Repayment shall be linked to the Grant Base Index.

At any Calculation Date, the Participants' obligations shall be calculated according to the following formula:

The Total Indexed Grant less the Total Indexed Repayment.

- F.5. All Repayments due to the Foundation shall be calculated on an annual calendar basis within 2 months of the end of the fiscal year of each Participant and paid to the Foundation within 3 months.

STANDARD

- F.6. The following are the requirements for the Revenue Reports:
- F.6.1. "Revenue Reports" shall contain the unaudited annual revenue figure of each Participant for the fiscal year-end, the previous year's audited revenue number and adjustment to the royalties paid, as applicable, and, except for the last year, shall further include each company's three-year forecast for overall gross revenues. The Revenue Reports shall be certified by each Participant's chief executive officer or chief financial officer. Any, and all, material misrepresentation or inaccuracy in the Revenue Reports shall constitute a fundamental breach of this Agreement pursuant to Section I.1. and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3, I.4., I.5. and I.7. shall apply in every respect.
- F.6.2. The Revenue Reports shall be submitted annually to the Foundation by each Participant within two months of the end of the fiscal year of each Participant. As and when applicable, Repayments to the Foundation shall be made by the Participants within three months of the end of the fiscal year of each Participant.
- F.7. All late Repayments shall bear interest at the Late Payment Interest Rate.

**G. REPAYMENT EVENT**

- G.1. At any time prior to Full Repayment, the relevant Participant shall provide written notice to the Foundation, either prior to, or no later than thirty (30) calendar days after any Change of Control of either Participant. Any failure to provide the written notice within the time specified, as set forth in this Section G.1., shall constitute a fundamental breach of this Agreement pursuant to Section I and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3., I.4., I.5. and I.7. shall apply in every respect to such Participant.
- G.2. In the case of a Change of Control for which the Foundation has received written notice pursuant to Section G.1, there will be the following presumptions: (i) that the relevant Participant will no longer remain as an independent standalone entity carrying on its operations with no change and (ii) that it will no longer be possible to track the revenue growth of the relevant Participant as intended herein.
- G.3. Pursuant to the aforesaid presumptions, a Change of Control shall be deemed to be a Repayment Event triggering a one-time payment of 80% of the Conditional Grant (as linked to the Grant Base Index) that will be deemed to be Full Repayment.
- G.4. Notwithstanding Sections G.2 and G.3, the relevant Participant shall be entitled to present evidence to the Foundation no later than 30 days from the date of the Change of Control to seek to rebut both aforesaid presumptions and undertake to make payments to the Foundation in the manner as set forth in Section F.3.2. If the Foundation shall determine in its sole discretion that such evidence is sufficient and convincing and aligns with the intended purposes set forth in this Agreement, the Foundation shall negotiate in good faith a settlement arrangement with the relevant

Participant. If the Foundation determines that the evidence is insufficient and/or unconvincing, the relevant Participant will be obligated to make an immediate Full Repayment on the terms set forth in Section G.3.

- H.2. Subject to Section H.1 above, the Governments of Israel and of the United States shall each have a non-exclusive, irrevocable, royalty-free license to make or have made, to use or have used, and to sell or have sold any such Product specified, throughout the world for all governmental purposes: provided, however, that in any contracting situation involving a Product made under this Agreement, the Government of Israel shall give preference to the Participant retaining the entire right, title, and interest in the Product in Israel, and provided that "governmental purposes" shall not include manufacture of such Product where it is commercially available at reasonable prices. Notwithstanding the foregoing, except for military purposes or in emergency situations, neither the Government of Israel nor the Government of the United States shall have the right to sell or otherwise dispose of in any third country any product incorporating the Product or part of the Product without the prior written permission of the Participant which has acquired the entire right and interest in the Product in that third country. Such Participant shall not withhold permission where appropriate royalties are paid government(s) concerned.
- H.3. Subject to Section H.1 above, the Foundation reserves for the Governments of Israel and the United States the right to use the Product, technical information, data, know-how and Intellectual Property arising out of, or developed under, this Agreement for any noncommercial purpose, and without charge.
- H.4. In order that the rights of the Governments of Israel and the United States described herein shall be exercisable, the Participants agree that any component, element or other part of the system of the Product, whose use is necessary to the full enjoyment of the Product, will be made available, at reasonable prices, by the Participants either as a commercially purchasable item, or by special arrangement, and will be sold to the Government of Israel and/or the Government of the United States, also at reasonable prices.

- I.1. Notwithstanding anything to the contrary herein the Foundation may revoke the Conditional Grant, in whole or in part, for fundamental breach of the Agreement, pursuant to the laws of the State of \_\_\_\_\_, upon written notice to the Participants.
- I.2. Notwithstanding whether any notice has been delivered to the Foundation by either Participant, the Foundation shall be entitled, upon written notice to the Participants, to revoke the Conditional Grant upon becoming aware of any of the following events of default:

  - (ii) any fundamental breach hereunder by either Participant; or
  - (iii) any material adverse change in the financial position of either Participant; or

Notwithstanding anything to the contrary in Section I.1. or I.2., if within six months of the event of default or breach, the Proposer or the relevant Participant may cure the default within thirty (30) calendar days after the date of its receipt of said notice of revocation, but not otherwise.

- I.3. Notwithstanding any other provision in this Agreement to the contrary, the Foundation shall not be obliged to provide any further funding after notice of revocation until and unless the said default is cured and so demonstrated to the reasonable satisfaction of the Foundation.

- I.5. If the Foundation shall revoke the Conditional Grant as aforesaid, all funds given to the Participant(s) in breach, or to the Participant(s) for which there has been a change or event (including a dispute as referred to in Section 1.2(iv)) shall become due immediately, without need for demand. Such funds shall be repaid with interest at the Late Payment Interest Rate from the date of notice of the revocation.
- I.6. The Proposer may not terminate this Agreement prior to Full Repayment, or abandon the Project prior to the Completion of Project, and, without the Proposer having received the prior written consent of the Foundation, in its sole discretion, upon, and

subject to, terms and conditions determined by the Foundation, any breach of this obligation will automatically trigger all funds given to the Proposer becoming immediately repayable to the Foundation, without the need for demand. Such funds shall be repaid with interest at the Late Payment Interest Rate from the date of termination of this Agreement or abandonment of the Project, as the case may be.

- I.7. If upon Completion of Project for any reason, the entire budgeted sum has not been expended, the Participants shall forthwith return to the Foundation their *pro rata* shares of such unexpended portion. If not repaid forthwith, such shall bear interest in accordance with Section I.5.
