This provision shall not apply to transactions between the Participants or between the Participants and their parents, subsidiaries, or other Affiliates, unless the transaction relates to the use of the Commercial Product, or any part of it, and/or any improvement, modification or extension of it, by any one of the aforesaid as a purchaser. Should any such parent, subsidiary or other Affiliate resell the Commercial Product separately identified or incorporated in a system, the sales price shall be the price to third parties from the parent, subsidiary or Affiliate making the sale.

F.3.3. If the Commercial Product or any part of it is a part of another product (not developed as part of or otherwise derived from the Project) sold, or otherwise commercially exploited, the sales price of such product for purposes of calculating Repayments according to this Section F.3. shall be that portion of the sales price of that product that is represented by the Commercial Product as may be agreed upon by the Proposer and the Foundation, or if, despite good faith efforts by the Proposer and the Foundation to agree upon said portion of the sales price and the parties have not reached agreement, then as shall be reasonably established by the Foundation. If there shall have been established a market price for the Commercial Product, that market price shall be the basis for Repayments

according to this Section F.3.3., notwithstanding the incorporation of the Commercial Product in another product as aforesaid.

- F.4. All Repayments due to the Foundation shall be calculated on a semi-annual calendar basis. “Commercialization Reports” reflecting the actual sales for each semi-annual calendar period as well as a sales forecast for the next two (2) years shall be submitted by each Participant and certified by each Participant’s chief executive officer or, in the case of a publicly traded corporation, either the chief executive officer or the chief financial officer. The Commercialization Reports shall be submitted even if there have been no sales for such semi-annual calendar period. Those reports shall accurately represent the amount receivable by each Participant from Gross Sales of the Commercial Product, and, to the extent applicable, the Product. Any, and all, material misrepresentation or inaccuracy in said reports shall constitute a fundamental breach of this Agreement pursuant to Section I.1. and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3, I.4., I.5. and I.7. shall apply in every respect.
- F.5. The Commercialization Reports together with any payment that may be due shall be submitted within ninety (90) calendar days following the end of each semi-annual period. Repayments to the Foundation shall commence at the end of the semi-annual period during which the first sale was made. All late Repayments shall bear interest at the Late Payment Interest Rate.
- F.6. The monies given as a Conditional Grant shall be linked in value to the Index, until Full Repayment. Each increment of the grant is fixed, and for the repayment obligation, shall be linked to the Grant Base Index. Upon Repayment of any portion of Proposer’s obligations under Section F.3, or Section G, such Repayment shall be linked to the Grant Base Index.

At any Calculation Date, Proposer’s obligations shall be calculated according to the following formula:

The Total Indexed Grant less the Total Indexed Repayment.

G. REPAYMENT EVENTS

- G.1. The Participant(s) shall not commit to an Outright Sale prior to Full Repayment without a prior written notice from the Proposer to the Foundation and without the prior written consent of the Foundation, in its sole discretion.
- G.2. Any failure to provide prior written notice of an Outright Sale shall constitute a fundamental breach of this Agreement pursuant to Section I and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3., I.4., I.5. and I.7. shall apply in every respect to such Participant.

- G.3. An Outright Sale prior to Full Repayment, with prior written notice received by the Foundation pursuant to Section G.1 above, shall be deemed to be a Repayment Event and one-half of all proceeds of the Outright Sale shall be applied as a lump sum to be received by the Foundation and treated as a Full Repayment unless or except where there may/will be Gross Sales of any Commercial Product that has not been acquired by the acquiror, and in such case, Repayments shall be made until there has been Full Repayment, as per Section F.3.1, on the balance of the Conditional Grant not received from the aforesaid lump sum. If any such Outright Sale is (i) in exchange for a non-cash asset or (ii) part of the sale of a group of assets, and no separate value is assigned by the parties to the portion of the Product sold, the Proposer and the Foundation shall seek to agree: as to (i) the value of the asset received; and as to (ii) the portion of the consideration that can be reasonably allocated to the sale. If no such agreement is reached within a reasonable time, or if any value assigned by the parties is in the view of the Foundation not reasonable under all of the circumstances, the matter shall be resolved by a partner of one of the eight leading accountancy firms in Israel who shall be selected by the Foundation, and whose decision shall be final and binding on the parties. Payments due and not made following receipt of proceeds by the Proposer shall bear interest at the Late Payment Interest Rate. Payments under this Section G.3. shall be deemed payments against Proposer's obligations under Section F.3. and, for the avoidance of doubt, the payments in this Section G.3., together with any other Repayments, shall not exceed the maximum percentages set out in Section F.3.1.(b).
- G.4. At any time prior to Repayment of the entire amount of the Conditional Grant (as linked to the Grant Base Index), the relevant Participant shall provide written notice to the Foundation, either prior to, or no later than thirty (30) calendar days after any Change of Control of either Participant. Any failure to provide the written notice within the time specified, as set forth in this Section G.1., shall constitute a fundamental breach of this Agreement pursuant to Section I and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3., I.4., I.5. and I.7. shall apply in every respect to such Participant.
- G.5. A Change of Control of a Participant will be deemed to be a Repayment Event triggering an immediate Repayment of the entire amount of the Conditional Grant received by the Proposer (linked to the Grant Base Index) by said Participant, that shall be deemed a Full Repayment.
- G.6. Notwithstanding the provisions of Section G.5., if, prior to the date of the closing of the Transaction, the identity of the acquiror is disclosed to the Foundation, and the Foundation is satisfied, acting in its sole discretion (i) on both the identity and financial ability of the acquiror, (ii) that the Project will not be adversely prejudiced by the Change of Control, and (iii) on the acquiror's commitment to continue the Project, the Foundation may agree, in its sole discretion (with discretion to reject for any reason), with the acquiror company and the relevant Participant undergoing the Change of Control one the following alternative arrangements instead of Section G.5:

- G.6.1 before the Completion of the Project, the acquiror company, and the relevant Participant undergoing the Change of Control, undertake and agree in writing to the Foundation, to carry out the Program Plan and continue and complete the Project with not less than the same said efforts as before and be bound by the terms and obligations of this Agreement and demonstrate such commitment to the Foundation's entire satisfaction; or
- G.6.2 if after the Completion of the Project, the acquiror company, and said relevant Participant undertake and agree in writing to the Foundation, to continue with the commercialization and marketing/sales of the Product and/or Commercial Product, as the case may be, with not less than the same said efforts as before and be bound by the terms and obligations of this Agreement and to commit to, and actually implement, minimum sales of the Product and/or Commercial Product, as the case may be, at levels that the Foundation shall determine in its sole discretion.

Then, subject to the said acquiror company and said relevant Participant agreeing and signing, within two (2) months from receiving the first draft of the Addendum from the Foundation, an Addendum to this Agreement in the form of a document approved by the Foundation that references and refers to the obligations that will apply from this Agreement, the said acquiror company and said relevant Participant shall act as per the relevant commitments stated above and this arrangement shall be instead of the provisions in Section G.5.

In the event that the said acquiror company and said relevant Participant do not sign said Addendum within two (2) months from receiving from the Foundation the first draft of the Addendum, for whatever reason, the relevant arrangement set forth herein in this Section G.6 shall no longer apply and shall be automatically withdrawn, and Section G.5 shall apply in all respects, namely that the said Participant shall make an immediate Repayment of the entire amount of the Conditional Grant received by the Proposer (linked to the Grant Base Index) on the lapse of the two months. Any failure to make such immediate Repayment, shall constitute a fundamental breach of this Agreement pursuant to Section I and the Conditional Grant shall be deemed to have been revoked in whole, and the provisions of Sections I.1., I.2., I.3., I.4., I.5. and I.7. shall apply in every respect to such Participant.

- G.7. If said acquiror company and said relevant Participant do not act in accordance with either G.6.1 or G.6.2, as the case may be, and/or said Addendum to this Agreement, whether in the present or future, the Change of Control of a Participant will be deemed to be a Repayment Event that shall trigger an immediate Full Repayment by the said acquiror company and said relevant Participant, unless agreed otherwise by the Foundation, in its sole discretion.
